GIRLS

wannabe

Yo, I'll tell you what I want, what I really, really want
So tell me what you want, what you really, really want
I'll tell you what I want, what I really, really want
So tell me what you want, what you really, really want
I wanna, I wanna, I wanna, I wanna, I wanna really,
really, really wanna zigzig ha.

If you want my future, forget my past
If you wanna get with me, better make it fast,
Now don't go wasting my precious time,
Get your act together we could be just fine.

I'll tell you what I want, what I really, really want,
So tell me what you want, what you really, really want
I wanna, I wanna, I wanna, I wanna, I wanna really,
really, really wanna zigzig ha.

If you wanna be my lover, you gotta get with my friends,
Make it last forever, friendship never ends,
If you wanna be my lover, you have got to give,
Taking is too easy, but that's the way it is.

What do you think about that now you know how I feel,
Say, you can handle my love, are you for real,
I won't be hasty, I'll give you a try,
If you really bug me then I'll say goodbye.

Yo I'll tell you what I want, what I really, really want,
So tell me what you want, what you really, really want
I wanna, I wanna, I wanna, I wanna, I wanna really,
really, really wanna zigzig ha.

If you wanna be my lover, you gotta get with my friends,
Make it last forever, friendship never ends,
If you wanna be my lover, you have got to give,
Taking is too easy, but that's the way it is.

So, here's a story from A to Z, you wanna get with me,
you gotta listen carefully,
We got Em in the place who likes it in your face,
You got G like MC who likes it on an
Easy V doesn't come for free, she's a real lady,
and as for me you'll see,
Slam your body down and wind it all around
Slam your body down and wind it all around

If you wanna be my lover, you gotta get with my friends,
Make it last forever, friendship never ends,
If you wanna be my lover, you have got to give,
Taking is too easy, but that's the way it is.

If you wanna be my lover, you gotta, you gotta, you gotta,
you gotta, you gotta, slam, slam, slam, slam,
Slam your body down and wind it all around
Slam your body down and wind it all around
Slam your body down and wind it all around
Slam your body down zigazig ah.
If you wanna be my lover.

say you'll be there

Say you'll be there
I'm giving you everything all that joy
can bring this I swear

Last time, that we had this conversation I
decided we should be friends,
Yeah, but now we're going round in circles,
Tell me will this deja vu never end?
Now you tell me that you've fallen in love,
well I never ever thought that would be
This time you gotta take it easy throwing far
too much emotions at me
But any fool can see they're falling,
I gotta make you understand

I'm giving you everything all that joy can bring, this I swear
And all that I want from you is a promise you will be there
Say you will be there
Won't you sing it with me

If you put two and two together you
will see what our friendship is for
If you can't work this equation then
I guess I'll have to show you the door
There is no need to say you love me
It would be better left unsaid

I'm giving you everything
all that joy can bring this I swear
And all that I want from you
Is a promise you will be there
Yeah I want you

Any fool can see they're falling,
gotta make you understand

I'll give you everything on this I swear,
just promise you'll always be there

I'm giving you everything
all that joy can bring this I swear
And all that I want from you
Is a promise you will be there

2 become 1

Candle light and soul forever,
A dream of you and me together,
Say you believe it, say you believe it,
Free your mind of doubt and danger,
Be for real don't be a stranger,
We can achieve it, we can achieve it
Come a little bit closer baby, get it on, get it on,
'Cause tonight is the night when two become one

I need some love like I never needed love before
(Wanna make love to ya baby)
I had a little love, now I'm back for more
(Wanna make love to ya baby)
Set your spirit free, it's the only way to be

Silly games that you were playing, empty
words we both were saying,
Let's work it out boy, let's work it out boy,
Any deal that we endeavour,
boys and girls feel good together,
Take it or leave it, take it or leave it

Are you as good as I remember baby,
get it on, get it on,
'Cause tonight is the night when two become one

I need some love like I never needed love before
(Wanna make love to ya baby)
I had a little love, now I'm back for more
(Wanna make love to ya baby)
Set your spirit free, it's the only way to be

Be a little bit wiser baby, put it on, put it on,
'Cause tonight is the night when two become one

I need some love like I never needed love before
(Wanna make love to ya baby)
I had a little love, now I'm back for more
(Wanna make love to ya baby)
I need some love like I never needed love before
(Wanna make love to ya baby)
I had a little love, now I'm back for more
(Wanna make love to ya baby)
Set your spirit free, it's the only way to be

It's the only way to be

love thing

You know I don't wanna know, don't wanna know about that love thing,
You know what I'm dreaming of,
Don't wanna know about that love thing.

Been broken hearted before but that's the last time it happens to me,
I keep on giving still you're asking for more,
Too much emotion baby, why can't you see,
I'm not afraid of your love why can't you see I've had my share of that,
You're what I want boy,
You know you got boy,
You gotta want me,
It's just what I need,
I'm not that easy as a matter of fact
There's no room for lovin' stop that push and shovin' yeah,
Don't wanna know about that love thing,
Give me what I'm needing you know what I'm dreaming of
Don't wanna know about that love thing.

Now don't go wasting my time,
you're not the only thing I've got on my mind,
My friends are with me when you ain't been around,
Your precious words and promises ain't bringin' me down,
I've got some living to do, don't assume I'm gonna be with you,
Your what I want boy,
You know you got boy,
You gotta want me,
It's just what I need,
I'm not that easy as a matter of fact,
There's no room for lovin' stop that push and shovin' yeah,
Don't wanna know about that love thing,
Give me what I'm needing you know what I'm dreaming of
Don't wanna know about that love thing.

Stop pushing
You're rushing
You're losing my lovin'
I hope it,
I see it
Just play it
You feel it
Gotta be bold, bold and oh so strong,
Get with this and you got it goin' on,
On and on with the girls named Spice.

You wanna get with us then you'd better think twice,
God help the mister, yeah God help the mister,
That comes between me and my sisters,
I'm not afraid of your love,
I'm not afraid of your love,
Why can't you see I've had my share of that,
You're what I want boy,
You know you go boy,
You gotta want me,
It's just what I need,
I'm not that easy as a matter of fact.

There's no room for lovin' stop that push and shovin' yeah,
Give me what I'm needing you know what I'm dreaming of,
Don't wanna know about that love thing.

last time lover

Treat me right, all night
Makes me feel good, like you should

Listen up I gotta tell ya
About the ins and outs and goings on,
I wouldn't tell just anybody about the fox that I've been chasing,
He's resistant not persistent, it didn't stop me from homin' in
'Cause I'm choosy not a floozy, I get my hit and then I run with it

Last time lover,
Do you think I'm really cool and sexy, and
I know you want to get with me,
Last time lover,
Do you want to be my last time baby,
Could it be your first time maybe

We got up and down to it, like the dirty bass in the music,
I got my major chords strummin',
Took some time and then we're really buzzin',
First bite wet my appetite, second helping's always better,
Started getting burning hot, I found my pride not easy,
slowed it down I said stop

Last time lover,
Do you think I'm really cool and sexy, and
I know you want to get with me,
Last time lover,
Do you want to be my last time baby,
Could it be your first time maybe

Last time lover, treat me right lovin'
under cover, all night
Last time lover, makes me feel good
Lovin' under cover, like you should
Last time lover
Last time lover, treat me right lovin'
under cover, all night

Cool sexy, ever ready, someone fine always steady,
gentle hands, dirty mind, use your head and don't be blind
Words of love they don't wash with me,
what's the rush no urgency you see,
Crazy boy, potential lover,
first and last lover brother there ain't no other,
Crazy, sweety, cool but racy, steady, ready, go, yes !

Last time lover,
Do you think I'm really cool and sexy, and
I know you want to get with me,
Last time lover,
Do you want to be my last time baby,
could it be your first time maybe
Last time lover, treat me right, lovin' under cover,
Last time lover, makes me feel good,
lovin' under cover, like you should,
Last time lover, treat me right,
lovin' under cover, all night

mama

She used to be my only enemy and never let me be free,
Catching me in places that I knew I shouldn't be,
Every other day I crossed the line,
I didn't mean to be so bad,
I never thought you would
become the friend I never had

Back then I didn't know why,
Why you were misunderstood,
So now I see through your eyes,
All that you did was love,
Mama I love you
Mama I care
Mama I love you
Mama my friend
You're my friend

I didn't want to hear it then but
I'm not ashamed to say it now,
Every little thing you,
said and did was right for me,
I had a lot of time to think about,
About the way I used to be,
Never had a sense of my responsibility

Back then I didn't know why,
Why you were misunderstood,
So now I see through your eyes,
All that you did was love,
Mama I love you, Mama I care
Mama I love you, Mama my friend
My friend

But now I'm sure I know why,
Why you were misunderstood,
So now I see through your eyes,
All I can give you is love,
Mama I love you, Mama I care
Mama I love you, Mama my friend
My friend

Mama I love you, Mama I care
Mama I love you, Mama my friend
My friend

who do you think you are?

The race is on to get out of the bottom,
The top is high so your roots are forgotten
Giving is good as long as you're getting,
What's driving you it's ambition and betting,
I said who do you think you are?
Some kind of superstar,
You have got to swing it, shake it, move it, make it,
who do you think you are?
Trust it, use it, prove it, groove it,
show me how good you are,
Swing it, shake it, move it, make it,
who do you think you are?
Trust it, use it, prove it, groove it,
show how good you are.

You're swelling out in the wrong direction,
You've got the bug, superstar you've been bitten,
Your trumpet's blowing for far too long,
Climbing the snake of the ladder, but you're wrong.

I said who do you think you are?
Some kind of superstar,
You have got to swing it, shake it, move it, make it,
who do you think you are?
Trust it, use it, prove it, groove it,
show me how good you are,
Swing it, shake it, move it, make it,
who do you think you are?
Trust it, use it, prove it, groove it,
show how good you are.

You have got to reach on up, never lose your soul,
You have got to reach on up, never lose control.

I said who do you think you are?
Some kind of superstar,
You have got to swing it, shake it, move it,
make it, who do you think you are?
Trust it, use it, prove it, groove it,
show me how good you are,
Swing it, shake it, move it, make it,
who do you think you are?
Trust it, use it, prove it, groove it,
show how good you are.

Swing it, shake it, move it, make it,
trust it, use it, prove it, groove it,
Repeat to fade.

something kinda funny

We've got something kinda funny goin' on,
We've got something kinda funny goin' on.

Wherever you're going high or low,
Remember to sure enjoy the show,
So climb aboard my journey deep inside,
Better late than dead on time,
Ooh, it's you I know I have got to feed,
Ooh, don't take from me more than you really need,
More than you really need.

We've got something kinda funny goin' on,
We've got something kinda funny goin' on.

Happiness is just a state of your mind,
Keep searching who knows what you may find,
Rules are for fools, and fool's paradise is hard to find,
Play my game or get left behind,
It's you I know that I have got to feed,
Take from me what you feel that you need
You feel that you need.

We've got something kinda funny goin' on,
We've got something kinda funny goin' on.
Repeat

You've got it...
Feelin' kinda funny, when I'm with you honey
Feelin' kinda queezy I ain't that easy.

We've got something kinda funny,
Repeat to fade.

naked

Naivety and childhood left behind
deprived of the goodness of mankind,
past encounters have made her strong
strong enough to carry on and on

Undress you with her eyes,
uncover the truth from the lies,
Strip you down don't need to care,
lights are low exposed and bare

Naked
Nothing but a smile upon her face
Naked
She wants to play seek and hide no one to hide behind
Naked
This child has fallen from grace
Naked
Don't be afraid to stare she is only naked

Naked
She knows exactly what to do with men like you,
Inside out in her mind there's
no doubt where you're coming from,
mystery will turn you on

Undress you with her eyes,
uncover the truth from the lies,
Strip you down don't need to care,
lights are low exposed and bare

Naked
Nothing but a smile upon her face
Naked
She wants to play seek and hide no one to hide behind
Naked
This child has fallen from grace
Naked
Don't be afraid to stare she is only naked

Hello...

This angel's dirty face is sore,
holding on to what she had before.
Not sharing secrets with any old fool,
now she's gonna keep her cool
She wants to get naked
She wants to get naked

Naked
Nothing but a smile upon her face
Naked
She wants to play seek and hide no one to hide behind
Naked
This child has fallen from grace
Naked
Don't be afraid to stare she is only naked

Repeat to fade.

if u can't dance

If you can't dance, if you can't dance
If you can't dance, if you can't dance,
if you can't dance to this you can't do
nothing for me, baby

If you can't dance, if you can't dance
If you can't dance, if you can't dance,
if you can't dance to this you can't do
nothing for me, baby

Now we got the flavour, the bad behaviour
The rhythm, the melody, the juice for you to savour,
We're rockin' and vibin' but somebody is jivin',
You need to take a tip, sort it out,
get a grip whenever I go out, whenever it may be.
There never is a Keanu, but a dweeb lookin'
at me but then even if I did score
he's a loser in the dance floor,
Take a deep breath count 123.

Even when his eyes met mine
his slamming moves were out of time.
Can't you just feel the groove
why don't you move?
It's easy can't you see
take my hands and dance with me

If you can't dance, if you can't dance
If you can't dance, if you can't dance,
if you can't dance to this you can't do
nothing for me, baby

If you can't dance, if you can't dance
If you can't dance, if you can't dance,
if you can't dance to this you can't do
nothing for me, baby

Spanish Rap

If you can't dance, if you can't dance
If you can't dance, if you can't dance,
if you can't dance to this you can't do
nothing for me, baby

If you can't dance, if you can't dance
If you can't dance, if you can't dance,
if you can't dance to this you can't do
nothing for me, baby

Recorded at Olympic and Strongroom Studios
Mix by Larrabee North, Olympic and Townhouse Studios
Mastered at Townhouse by Geoff Pesche
